**E-MAIL:** [Nburns@Westfordma.gov](mailto:Nburns@Westfordma.gov)  
**RESPOND BY:** Noon Thursday, **April 5**

The purpose of this special event is to share everything we've been learning about Mission-Ready Teams over the past year!!! **We strongly urge all members to participate**. Enjoy the meal and network with your fellow members and special guests, while taking part in these activities:

- *Report for duty* to this deployment
- Participate in a table-top sheltering drill
- Develop an After-Action Report: Winter Storm Quinn
- Learn from a responder who brought therapy dogs most recently to Parkland, FL and Las Vegas
- Watch our unit's new 10" EDS video that's part of a national toolkit!
- Hear from members who provided medical care at a planned MCI (Mass-Casualty Incident: local marathon operations)
- Receive protocols and other materials for responses

You don't need to have participated in MRT training to attend!!! We're sharing what we've learned so we can *all* become better responders!
